Slim 6D

Venus Edge 6D Slim Lipodissolve injection is made in Korea by Daese Meditech. Unlike most of the lipodissolve products which is made from PPC, usually it takes 3 sessions to reach the result most patients are expecting. For Venus Edge 6D Slim lipodissolve injection, all you need is just one session, you will see result within a week

Slim 6D solution

Ingredients : Aqua, Sodium Chloride, Tyrosine, Juglans Regia (Walnut Seed Extract, Aesculus hippocastanum extract, disodium adenosine phosphate, fucus-vesiculosus extract, adenosine triphosphate, ophiopogon japonicus root-extract, SH-Oligopeptide-I, SH-polypeptide-64, Tetrapeptide-44

Advantage

Venus Edge 6D Slim Lipodissolve injection is different than any other lipolysis brands in Korea, it does not contains harmful ingredients like PPC. No pain during injection, no swelling after injection. The other brands which contains PPC ingredients will be painful during injection, and patients got seriously swollen after injection for a full day. Venus Edge 6D Slim Lipodissolve injection makes a huge differences, no more painful feeling during or after injection, no more swelling, no down times at all! Venus Edge 6D Slim Lipodissolve injection is made of 100% safe ingredients extracts from plants

Where to use

All you need is just one session of Venus Edge 6D Slim Lipodissolve injection, you will see the differences on your double chin within a week! Venus Edge 6D Slim Lipodissolve injection reduce fat on your double chin, and it also tighten and lift your face
