Product Description

5ml non crosslink Hyaluronic Acid HA Meso Whitening Serum Skin Rejuvenation Meso Serum

5ml Mesotherapy Ampoule Serum 100% Cross-linked Hyaluronic Acid for Remove Wrinkles Mesoterapia Acido Hialuronico Anti-aging

Hyaluronic acid --- Anti-wrinkle HA Mesotherapy Solution

Hyaluronic acid meso serum is the use of hyaluronic acid injections directly on the skin. It is also called Hydrolift. It is specially designed to deliver multiple benefits such as both lifted, contoured faces, as well as dewy, luminous skins using natural hyaluronic acid.

With Hydrolift, natural hyaluronic acid is carefully placed in under the skin of the lower face and cheeks using novel injection technique to give tired saggy faces a subtle lift while replenishing lost hyaluronic acid instantly and restoring skin moisture to youthful levels.

Key to the Fountain of Youth

It makes the facial skin moist and soft, shiny and translucent, so you have artists like smooth and translucent skin, the dermis can solve the problem of lack of water, improvement of small wrinkles, bring significant results.

Tiny amounts of hyaluronic acid are injected into the face with very fine needles. The treatments takes 30 minutes. After the treatment, the skin is pink and a little swollen. Following treatment is recommended after 3-4 weeks. It is recommended to repeat the treatment after 6-9 months.
