treatment	injection for facial wrinkles remove spot black circle
size	5ml x 4 bottles / box

#### Restructurer

Innoaesthetics® Restructurer from the TDS Line is the perfect solution to restructure the skin while protecting it from cell oxidation and oxidative stress. Furthermore, it helps to prevent skin aging, reduce fine lines and wrinkles as well as repairing the components of the extracellular matrix. Innoaesthetics® Restructurer is a combination of antioxidants ingredients such as Ascorbic Acid, Glutathione, Superoxide Dismutase and Lipoic Acid, which significantly reduces the formation of free radicals and protects the skin tissue from this damage, whereas the content of Hyaluronic Acid

#### Lasting time

The results obtained with Innoaesthetics® Restructurer are instant and provide visible results from the first session with no downtime. Cleanse the skin thoroughly and remove all impurities/makeup.

#### How to use

Innovative products with highly purified biotechnological-origin hyaluronic acid to achieve excellent results including: deep hydration of the skin, stimulation of collagen and elastin production, as well as lessening of pigmentation and improvement to skin texture and tone. Treatments with Innoaesthetics® Restructurer contains of minimum 4 sessions with 7 days apart for optimal results. Then apply Innoaesthetics® Restructurer with either microneedles or mesotherapy. The active ingredients will then pass through the stratum corneum to reach the deeper skin layers, and get into the target area rapidly but in a gentle manner with no side effects. and can be used in combination with the Innoaesthetics® Derma Homecare line for even better results.

#### Effects

Innoaesthetics Restructurer from the TDS Line is the perfect solution to restructure the skin while protecting it from cell oxidation and oxidative stress. Furthermore, it helps to prevent skin aging, reduce fine lines and wrinkles as well as repairing the components of the extracellular matrix. Therapy for dermal reconstruction and tissue recovery. Promotes collagen synthesis favoring skin healing and restoring the skin balance. Effectively redensifies the dermis and attenuates expression lines and wrinkles.
