## Description

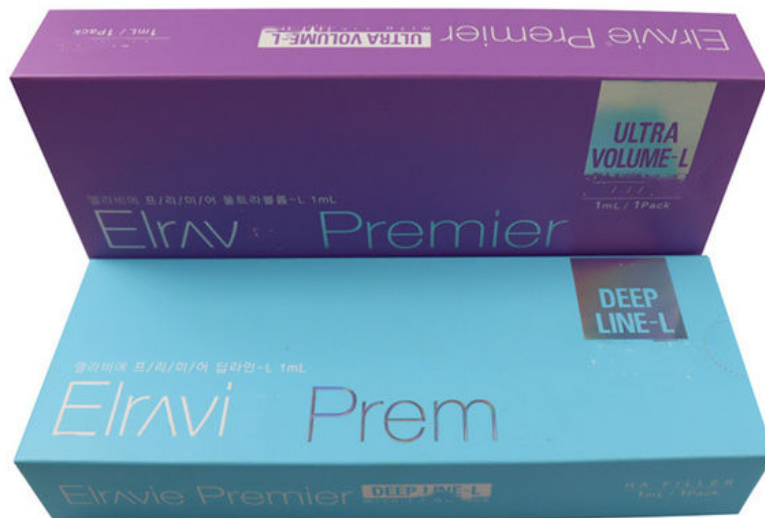

Revolax helps with the correction of medium wrinkles and deep folds such as nasolabial folds, frontal wrinkles, and frown lines, wrinkles around the lips, and marionette lines. It can help correct lip shapes. It is used to augment the cheeks. Revolax can help with chin correction. Neuramis is used in nose bridge reshaping.

The packaging content:

- 2 prefilled syringe 1ml
- 2 x needles
- Traceability labels

As you age what were once subtle lines and wrinkles around the nose and mouth have started to deepen. Cheeks that used to appear full and taut suddenly seem to sag and droop. While aging is a natural part of life, it doesn't mean that you can't maintain a youthful look along the way. Specifically designed for correction of some of the deepest facial folds.

Buyers can return item(s) for a refund within 7 days from the day the item(s) were received, and the buyer is to afford the return shipping cost. The item(s) must be returned in the same exact condition as once it was delivered. Buyers may return the item(s) for a refund if they are not as described or with quality issues within 7 days from the day the item(s) were received. The buyer is required to afford the return shipping cost, based on the condition of the item(s) received. It can be used for earlobe augmentation, jaw contouring for the correction of medium wrinkles and severe folds in the facial area. Along with the non-surgical removal of middle-to-deep wrinkles.
