As a dietary supplement, take one packet 1 to 2 times per day or as directed by a healthcare practitioner. For best results, snip or tear the notched end off the packet, squeeze into one to three ounces of your favorite cool beverage, and consume in one swallow on an empty stomach. Wait at least 15 minutes before eating. Contents of packet will not dissolve.

Keep out of Reach of Children. Consult a healthcare practitioner if you are pregnant or breastfeeding, have a medical condition, or are taking any medication. Store in a cool, dry place. Refrigeration is recommended to improve taste. Do not freeze or place the product in direct sunlight for extended periods of time. As you age what were once subtle lines and wrinkles around the nose and mouth have started to deepen. Cheeks that used to appear full and taut suddenly seem to sag and droop. While aging amazing product, may change the facial contour of the patient. It works great on the eyebrow area, as well as the cheeks, and it can do

wonders when it comes to lip enhancemen
