- Highlight: improved lips Lidocaines skin fillers, Restylanes' Lyft Lidocaines Skin Fillers

Product Description

Restylane® Hydra Injection™ is an injectable treatment specifically designed to revitalize skin and improve hydration, elasticity and overall appearance. The procedure involves injecting a small amount of hyaluronic acid, a substance naturally produced by the body, into the skin. This treatment is effective in enhancing the smoothness, elasticity and overall appearance of the lower cheek and jawline areas of the face, upper neck and back of hands.
