Product Description

Description

It is the world's first addition of highly concentrated vitamin B12 and other active ingredients for rapid fat decomposition, promote rapid fat decomposition, and quickly exclude it from the body. Different from the traditional fat-dissolving needle, it improves the shortcomings of the traditional fat-dissolving needle, such as easy pain, redness and swelling, and slow effect. It has been certified for its high safety, quick effect and little side effects.

Effects of use:

fast fat reduction
reduces fat accumulation
increases metabolism

Application areas:

Double chin
Armpits, forearms
Bra line
Abdominal area, ribs (love handle)
Hips
Thighs (outer or inner)

Main ingredients:

Cyanocobalamin (vitamin B12) - supports fat metabolism.
Bromelain - has the function of breaking down fat and eliminating inflammation.
Lecithin - has the function of destroying and transporting fat.

Packaging:

1 vial x 10 ml

Product for use by professionals only.

By deciding to purchase, you declare that you are a doctor or cosmetologist trained in aesthetic medicine.

Bromelain helps to break down fat and remove inflammation

Bromelain is enzyme extract derived from the stems of pineapples plants. It have being used in medicine for a long time to remove eschar from burn. being an active component of THE RED it is works as edema reduction and pain reduction. Centella asiatica, commonly known as centella, Asiatic pennywort or Indian pennywort or Gotu kola, is a herbaceous, frost-tender perennial plant in the flowering plant family Apiaceae, subfamily Mackinlayoideae. In coscmetology it can be used in the treatment of cellulite.
