## Product Description

- Made of all natural ingredients, can be administered in higher amounts with fewer treatments than other fat dissolving products. Kit includes all accessories needed to treat right away. See description for everything included in kit
- Noticeable reduction begins to occur first week after first treatment. The amount of water you drink is directly associated with how dramatic results are
- Product formula based on bromelain (pineapple), lecithin and riboflavin, natural ingredients that destroy fat, tighten and firm skin, and escort fat cells out of the body
- Peak results are reached between 21 and 45 days after first session. You can repeat treatment every week - the more times you treat, the more dramatic your results are likely to be
- Non-acidic formula (PH level = that of body, around 7.4), no burning sensation
