Product Description

Radiesse 1ml Dermal Filler Injectable Collagen Remove Wrinkles Facials

Radiesse 3ml reshapes and fills the face. Radiesse consists of micro implants made of CaHA or hydroxyapatite microspheres, and works effectively in biodegradable liquid gel.

benefit

Improve the symmetry and protrusion of the lower jaw and chin to improve their surrounding area.

Beautify your face: correct bitter wrinkles, deep wrinkles, nasolabial folds, and lip corners..

Reduce irregular and bulging nose.

Restore the volume of the hollow cheeks.

Protocol - Radiesse 3ml

The doctor will massage the specific area with anesthesia cream to make the injection site fall asleep.

After treatment, there may be some effects, such as swelling or redness, which usually last for several hours to 1-2 days. After the meeting, you can immediately resume your activities.

Whether it's improvement in the lower face or the hands, Radiesse can provide a smooth, natural-looking result
