Its the latest advance in injectable treatments to add definition to the mouth and facial contour. Volbella is a gentle gel that smoothes lines and wrinkles above, below and on the lips for a natural-looking feel. We offer Volbella in all locations in the greater Austin, Dallas, Houston and San Antonio areas

Description

1ml with is an efficient dermal filler for correcting moderate to severe lines and wrinkles as well as plumping and shaping your patient's lips. Product is a sterile, transparent gel of stabilized hyaluronic acid of non-animal origin with the addition of 0.3% hydrochloride. 1ml with is supplied in a glass syringe with a Luer lock fitting. Only authorized aesthetic professional in accordance with local regulations should administer with injections.

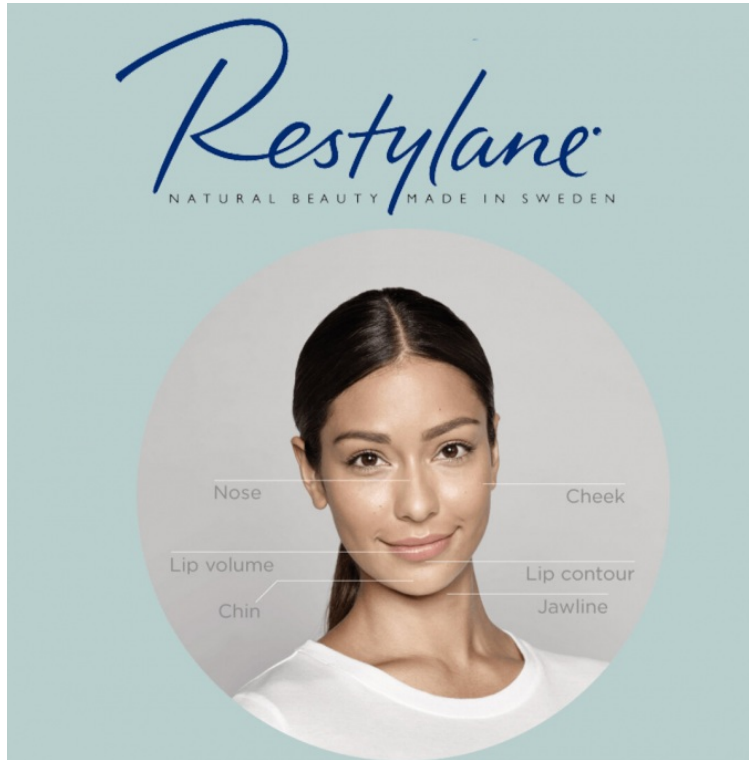

The packaging content:

- 1 prefilled syringe 1,0 ml
- 2 x needles
- Tracebility labels

Ingredients:	• 20 mg/ml hyaluronic acid
spe	• 3 mg/ml l
Delivery	1-3days

Benefits:

version is suitable for improvement for fine lines, wrinkles and folds. It is highly recommended to use for lips enhancement. The brand is made using patented Non-Animal Stabilized Hyaluronic Acid (NASHA) Technology, which helps retain the natural way that hyaluronic acid molecules connect to each other. This results in a product that produces much longer-lasting results. As well, this filler comes with added Ic , an anesthetic for better patient experience during injection.
