Product Description

Strengths of Neuramis Volume Lido:

In the market today, there are only a few trusted HA fillers that rapidly remove medium to deep facial lines and wrinkles without causing so much pain. Neuramis Volume Lido is undoubtedly one of them. The cutting edge cosmetic innovation of this product is unmatched because:

It gets you the most pronounced level of gel elasticity

It has the highest viscosity and elasticity among its product range, perfect for filling in recessed areas.

The procedure is painless due to the presence of lido in the composition.

Cross-linked strands of hyaluronic acid guarantee lasting and remarkable results. Neuramis is clinically proven to be efficient and safe. The hyaluronic acid material used has its molecular weight approved by the EDQM and the FDA, making it reliable and trustworthy to use.

Neuramis guarantees a long-lasting and more prominent effect on your treated areas. This is due to the product's patented two-step cross-linking process and enhanced refinement process.

Neuramis gives you a natural skin rejuvenation effect

It brings minimum residual BDDE (less than 0.4 ppm)

The gel is evenly distributed in the skin

High biocompatibility guarantees side effects to be minimal

It is clinically proven to be effective and safe

Scope of Neuramis Volume Lido:
