## Product Description

Cytocare 516 is a cutting-edge, rejuvenating skin booster formulated to restore vitality and elasticity to your skin. Each box contains 10 vials of 5ml, filled with a potent combination of hyaluronic acid and rejuvenating complex CT50. This advanced formula is designed to intensely hydrate, firm, and plump your skin, reducing the appearance of fine lines and wrinkles. Experience a radiant and youthful complexion with Cytocare 516, which is suitable for all skin types and easy to incorporate into your skincare routine.

Cytocare 516 is a bioresorbable implant crafted with hyaluronic acid and a rejuvenating complex. This formulation is intended for injection into the mid-deep layer of the skin dermis to address initial fine lines and enhance skin tone and elasticity. Moreover, Cytocare 516 aids in restoring skin hydration and promoting a more radiant complexion.
