Product Description

Restylane comes in a variety of targeted formulations to replenish volume, ease fine lines, and rejuvenate the face and hands. Learn more about the Restylane family of dermal fillers at our Torrance med spa, serving Manhattan Beach, Hermosa Beach, Long Beach, Redondo Beach, and other Los Angeles, California, communities.

Dermal Filler can be used on multiple areas of the face. Some of the most popular treatment areas are:

Lips: Enhance the fullness and shape of your lips or just to add a bit of hydration back to the lips.

Cheeks: Restore volume and lift to the midface area, giving a more youthful contour.

Nasolabial Folds: Smooth out the lines running from the nose to the corners of the mouth often called the smile lines.

Marionette Lines: Reduce the appearance of lines that run from the corners of the mouth to the chin.

Under-Eye Hollows: Fill in the hollows under the eyes to reduce the appearance of dark circles and tiredness.

Jawline and Chin: Define and contour the jawline and chin for a more sculpted look.
