V Shape Face Lift Massager

Experience the ultimate face lift and skin tightening with our V Shape Face Lift Massager. This innovative device is designed to give you a V-shaped face and a more youthful appearance.

Features:

- Face Lift: Lift and tighten your skin for a more defined and sculpted look.
- Skin Tightening: Improve the elasticity of your skin, reducing the appearance of wrinkles and fine lines.
- V Face: Achieve a V-shaped face, enhancing your facial contours.

Treatment Area:

Target your neck and face for optimal results.

Material:

Made from high-quality ABS for durability and long-lasting use.

Plugs Type:

Convenient USB plug for easy charging.

Waterproof:

Not waterproof.

Warranty:

Enjoy a 1-year warranty for peace of mind.

Color:

Available in white and red.

Light Modes:

Choose between blue light and red light modes for different skin benefits.

Massage Modes:

Enjoy 4 different massage modes to suit your preferences.

Battery:

Powered by a rechargeable lithium battery for convenience.

Voltage:

Operates on a voltage range of 3.7 - 5V.

Power:

5W power output for effective results.

Battery Capacity:

Equipped with a 1200mAh battery for long-lasting use.

Temperature Range:

Provides a gentle warmth at approximately 35°C for a soothing experience.

Product Size:

Compact and portable, measuring 17.8*10.6*4.9cm.

Weight:

Weighing only 173g, it is lightweight and easy to handle.
