Tattoo.

Help import essence

High-frequency heads that have anti-wrinkle firming effect on the skin. After applying the essence into the head, drip the essence to help refine the skin

Firming skin

Helps to remove stretch marks, wrinkles on one's forehead and eye fine lines.  
Has a strong skin rejuvenation effect, can effectively eliminate wrinkles, scars, freckles, etc. make your skin delicate and soft

Beauty Monster is portable plasma device to remove spot, pigment, skin tag, moles, wart etc, and improve wrinkle, scar. If generating the electricity of High frequency between a stable ions of surface of skin and an unstable (labile) ions in the air, spark is emerged. Treatment area is burned (carbonized) by that spark without side effect, and then thermal energy is made. Beauty Monster uses low power and suitable frequency for its purpose of beauty care, even safe and no side effect emerged.

- A, Compare to the existing equipment, it is more safe and easy to use .
- B, The equipment evaporates the skin by the sparkling method of use without touching the skin .
- C, It is easy to use without any burdens .
- D, You can treat almost lesions which can be treated by CO2 laser

- 1. Removal of spots
- 2. Removal of moles
- 3. Removal of granulation tissue
- 4. Removal of tattoos
- 5. The copper needle: pigment removal, nevus
- 6. Rough rounds: help the skin to improve the essence
- 7. Smooth rounds: Compact skin, anti wrinkle
